# Playboy's CASTING CALLS

... TAMPA ...

## Tampa Casting

With its white sandy beaches, fantastic weather and incredibly gorgeous girls Florida never disappoints Playboy when we host our amateur model auditions in the Sunshine State. Over a hundred tanned, toned and topless beauties showed up in Tampa for their shot at Playboy fame—and here's a sexy sampling of the beach babes we discovered. See more of these Casting Call hotties at [gyb.explayboy.com](http://gyb.explayboy.com)!

# Playboy's CASTING CALLS

... SACRAMENTO ...

Tara

**Sacramento Casting**  
We had a hunch we'd strike gold when Playboy's Casting Call crew headed to California's capital city in search of fresh, new faces. But we were absolutely overwhelmed when nearly 300 sexy girls showed up in Sacramento to see if they had what it takes to be part of the Playboy family. Here's a crop of northern California babes who do have the right stuff. Go to [www.playboy.com/castingcalls](http://www.playboy.com/castingcalls) to find out which cities are up next for our casting call caravan.

AUBREY WILSON

"Only recently have I become 100 percent confident with who I am and the choices I make."

"A woman can be as sexy in sweats and Ts as in a designer gown. Sexiness isn't an outfit—it's an aura."

**HEATHER RENÉ** Which of these statements is true? 1) Heather is the adopted daughter of Angelina Jolie and Brad Pitt; 2) Heather helped Al Gore invent the Internet; 3) Heather became aware of her sex appeal only eight months ago. Hard to believe, but number three is correct—Heather wasn't aware of her sizzle factor until "I was approached by a photographer and had my first photo shoot." For all her inexperience in front of the camera, though, Heather was amazingly composed during her SE session. "I was extremely comfortable—much more excited than nervous. It was an honor and a wonderful opportunity." Still, as happy as she is with the results and the attention she's getting, she's sticking to her original 10-year plan: to have a career in criminal psychology, get married and have kids. "Mostly it's about enjoying life, friends and your family." Vital stats: 5'3", 115 lbs., 34D-24-35. *Mizno*, 1, 4, 5, 6, 7.

**ANETA SMRHOVÁ** Her phenomenal face and figure quickly made her a local modeling superstar, but thanks to the Internet this Czech beauty now has fans in every corner of the world. Vital stats: 5'5", 110 lbs., 33-23-35. *Waldy Martens*, 8, 9, 10, 11.

**KRISTY MORGAN** At only 21 a girl has a right to explore all her options before she commits to one nine-to-five path, so Kristy is leaving no career stone unturned. First, she switched majors from education to marketing—"I might go into pharmaceutical sales"; second, she enrolled in bartending classes; third, she signed up for Latin dance classes; and fourth, she hopes to expand her modeling portfolio with fashion spreads and car and motorcycle ads. Vital stats: 5'5", 115 lbs., 34C-24-35. *Gen Nishino*, 12-13, 14, 15, 16-17, 96.

**SHANNON DODD** As an avid rock climber, Shannon approached the prospect of posing for us with the same perspective as she would facing a challenging boulder. "It was about managing a difficult problem—it makes you nervous, but it's exciting, too. And when you're done you're really glad you did it!" While her friends are used to her outdoor adventures, she thinks they were surprised by her venture into Playboy. "I was shy in high school. Only recently have I become 100 percent confident with who I am and the choices I make. The only approval I still need is from my mother." Vital stats: 5'6", 110 lbs., 34B-24-34. *Gen Nishino*, 18-19, 20-21.

**LACE ROSE ALLENIUS** This 21-year-old motorcycle-riding poet and musician breezed through high school, graduated with honors and was awarded a full-ride scholarship to college. She's steering toward a career in international law, but music is in her blood. "I'm a classically trained pianist, but right now I prefer to rock out in my band. I write my own songs and some have won composition competitions—I'm extremely proud of that." Vital stats: 5'8", 120 lbs., 34B-23-35. *Jarmo Pohjanen*, 22, 23, 24, 25.

**TARA NICHOLS** There's a fine line between self-confident behavior and overly aggressive behavior and Tara expects you to know the difference. She doesn't like guys who constantly ask if it's OK to hold her hand, touch or kiss her—just do it. "If I don't like it I'll say so—but don't act like a weeny waiting for permission!" Vital stats: 5'6", 115 lbs., 36D-24-34. *Mizno*, 26, 27, 28, 29, 30, 31.

**CATHY SILVA** A prodigious collection of tickets provides evidence of her tendency to mock speed limits. Of course it's probably just a coincidence that a) her brother is a cop and b) she's gotten out of so many of them. Right now she doesn't even own a car—"I live in New York City and don't need one"—so our streets are safe for the time being and her brother can concentrate on catching bad guys. One cautionary note: Cathy may be wheelless for right now, but if her plans to open a spa are successful she's set her sights on her next dream machine: "An Aston Martin convertible!" Vital stats: 5'4", 105 lbs., 34C-24-34. *Gen Nishino*, 32, 33, 34, 35.

**LAURA MARSH** This British model is just beginning her quest to "become famous and make lots of money" by performing in dance videos and modeling. In the meantime, she rushes around to auditions on almost a daily basis. Mistakes are bound to happen—like the time she got up early for an important appointment, got dressed and rushed off, only to discover she had two different-colored shoes on. "All you can do is laugh and make the best of it." Vital stats: 5'5", 110 lbs., 32D-25-36. *Byron Newman*, 36, 37, 38-39.

**ANGELICA CAPRUAN** Stubborn pride has sometimes gotten her into trouble and she admits she has a bad habit of breaking into inappropriate laughter in the midst of a serious argument, but these personality quirks are easily forgiven if you get the chance to wake her in the morning—she's not only cheerful, she's receptive. "Wake me with an extremely aggressive kiss followed by a lick on the ear that keeps heading down, down, down, down." Vital stats: 5'9", 125 lbs., 32B-24-34. *Gen Nishino*, 40-41, 42, 43.

**TAMMY PLANTE** We suggest gulping a few energy drinks before hanging out with Tammy—saying she's "very active" is putting it mildly. Besides modeling, she also spends her time running, weight training, playing tackle football, cooking, sewing, hiking, dancing and singing. Soon she may even squeeze in medical school. Vital stats: 5'5", 115 lbs., 36C-24-35. *Gen Nishino*, 44, 45, 46, 47.

**MICHELLE BERNARD** This Puerto Rican-born Miami-raised model is proud to be 100 percent natural and maintains an understated approach to her appearance. "A woman can be as sexy in sweats and Ts as in a designer gown. Sexiness isn't an outfit—it's an aura. And ladies, wassup with all the makeup? A little bronzer on the cheekbones and some lip gloss go a long way towards creating a healthy, beautiful unpainted look." Vital stats: 5'9", 125 lbs., 34B-24-35. *Jarmo Pohjanen*, 48, 49, 50, 51, 52-53.

**BRANDIE MOSES** The benefits of natural good looks are obvious, the downsides not so. "People often judge beauty unfairly—they think just because you're pretty you're also stupid and stuck-up." Still, many women are willing to risk such a harsh assessment by undergoing makeovers. Does Brandie approve? "Yes and no. I'm not crazy about the most extreme makeovers—they're too drastic. It should be a slow process so women can adjust gradually." Vital stats: 5'5", 115 lbs., 34D-24-35. *George Georgiou*, 54, 55, 56, 57.

**COURTNEY BREWER** Having been born and raised in Knoxville, Tennessee, Courtney knows the area well—an advantage which should serve her well if she pursues her plan to be a real estate agent. Vital stats: 5'1", 102 lbs., 32C-24-34. *David Rams*, 58, 59, 60, 61.

**ANNETTE D'ZAM** If you're going to go the predictable dinner-and-a-movie date route, at least make sure you carry on a four-course conversation with her—"I'm a sucker for someone who's passionate when he speaks to me." On her worst date ever the baked zucchini made better small talk. Better yet, come up with a more creative date destination—"like going hiking in the woods and having a picnic afterwards. It's a great way to get to know each other." Vital stats: 5'5", 115 lbs., 34D-24-35. *Gen Nishino*, 62-63, 64, 65.

**DANA KELLY** Her self-description in 20 words or less? "Intelligent, a giver, confident, down-to-earth, goal-oriented and very sexual." Her hobbies in 20 words or less? "Writing poetry, working out, traveling, going to the beach, pampering myself at the spa and, of course, shopping." Her hero in two words or less? "My mom." Vital stats: 5'2", 109 lbs., 34C-24-34. *Gen Nishino*, 66-67, 68, 69.

**JILLIAN BEYER** Besides saying she's turned on by guys who "know how to talk to a girl" and turned off by guys who "don't know how to talk to a girl" we can't provide any further conversational clues on ways to charm her—except that if you have a Southern accent it doesn't matter what you say. We also know that if you're a pretty boy it's best to rough it up around the edges before you approach her. If you have anger issues don't even bother. Vital stats: 5'5", 105 lbs., 34D-24-34. *Jarmo Pohjanen*, 70, 71, 72, 73, 74-75.

**GABRIELA SFERRAZZA** Here's the good news: She has no prototypical model of the perfect guy—"I think men in suits are sexy, but I also like guys who are fashionably trendy." Here's the bad news: You may have to dig deeper into your bank account to make a lasting impression. Here's why: "On the greatest date I ever had he took me on a helicopter ride, followed by an exquisite dinner and it ended with—well, that was the best part of all!" Vital stats: 5'4", 100 lbs., 34B-22-31. *Gen Nishino*, 76, 77, 78-79.

**CARLOTTA CHAMPAGNE** How refreshing—a woman who doesn't dis men for their messiness! One of the top vote getters from the Tampa Casting Call confesses that her bedroom is covered in clothes, assorted posters and pictures of Prince. Most men she knows, in fact, have cleaner bedrooms than most women, so "I can't think of any way guys need to improve them." Now that messiness is on a roll, we should add that she trusts her men friends more than her women friends to fix her up on dates. "My guy pals know who all the liars and cheaters are and will keep me away from them." With deceivers and serial Romeos eliminated all she wants is a man who's "sexy, passionate and smart." Vital stats: 5'5", 115 lbs., 32C-24-35. *Jarmo Pohjanen*, 82-83, 84, 85.

**AUBREY WILSON** The people's choice from the Sacramento Casting Call trains personal protection dogs for a living and rides jumper horses for sport. Beware: She relies on neither her men friends nor her women friends to fix her up on dates. "My 110-pound guard dog chooses my men!" If you make it past the canine inspection and preliminary wooing, be prepared to let your guard down in the sack. "Not many men just let go in bed. I love a man with no inhibitions." Vital stats: 5'8", 120 lbs., 36D-25-36. *Mizno*, 88, 89, 90, 91.

"Wake me with an extremely aggressive kiss followed by a lick on the ear that keeps heading down."

"Not many men just let go in bed. I love a man with no inhibitions."

## letters OF THE MONTH...

I enjoyed the most recent issue of Lingerie and I especially loved the photographs of Jennifer Hurt (above). I am looking forward to seeing more of her in upcoming Special Editions and perhaps even in PLAYBOY! ...D.S.B.

I loved Jillian Beyer (below) in College Girls. Make sure we see more of her in the future. ...Phil

You should feature military women in a future SE. If you do I would like a Casting Call date because I am one of the few, the proud, the pretty Marines. ...Elena

When I check out Breann McGregor's pictures one word comes to mind—breathtaking. She is the best thing that ever happened to Playboy. Please make her a Playmate—it will be the greatest gift of 2007! And I totally see her as the next Playmate of the Year. Woo hoo! ...J.P.
